1 INTRODUCTION

This guidance explains the structure of the required inbound file and the check procedures that follow. For more information, see [tax.fi > About us > Information and material on taxation > IT developers > e-Filing guidance > Electronic filing of information returns](#) General description.

2 DESCRIPTION OF THE INFORMATION FLOW AND SUBMITTAL OF FILES

The information-reporting requirement concerns the institutions that pay out interest on commercial and savings bank deposits, on bonds and debentures, on deposits in employees' banks (personnel service offices) and on the balances remaining on payment accounts in payment institutions.

If you have paid interest to nonresident beneficiaries you must use another information return format (either VSRAERIE or the paper Form 7809).

For more information and instructions, go to the 'Annual Information Returns' pages of the Website, > Forms > Annual information.

The terms and conditions of convertible loans or of clearance accounts do not have to be delivered to the Tax Administration when you have submitted your return electronically.

For more information on how filers must identify themselves electronically, on the requirements on Katso ID and Katso Role, and on the information flow's check routine for authorizations, click [here](#).

3 MAKING CORRECTIONS

For more information, see [tax.fi > About us > Information and material on taxation > IT developers > e-Filing guidance > Making corrections to e-filed submittals of information returns](#).

4 PERIOD OF VALIDITY

This specification sets out the requirements of file formatting that come into force 29 January 2019 and continue to be in force until a new version of this specification is released.

For deadline dates for filing, see [tax.fi > Verohallinto > Tietoa verotuksesta > Ohjelmistokehittäjät > Aikataulut](#) (Available in Finnish and Swedish).
