1 INTRODUCTION

This guidance explains the structure of the required inbound file and the check procedures that follow. For more information, see tax.fi > About us > Information and material on taxation > IT developers > e-Filing guidance > Electronic filing of information returns General description.

2 DESCRIPTION OF THE INFORMATION FLOW AND SUBMITTAL OF FILES

Starting 2014, the filing of the return concerns the beneficiary's dividends for the tax year that **are ready for payment to him or her** even in cases where actual payment is not yet made.

You must file your information return electronically if you had more than five (5) recipients of dividends. However, the requirement to use e-filing does not concern physical persons and estates of deceased physical persons unless they operate a trade, business, or agricultural farms/forestry units.

For more information and instructions, go to the 'Annual Information Returns' pages of the Website, > Forms > Annual information.

For more information on how filers must identify themselves electronically, on the requirements on Katso ID and Katso Role, and on the information flow's check routine for authorizations, click [here](#).

3 MAKING CORRECTIONS

For more information, see tax.fi > About us > Information and material on taxation > IT developers > e-Filing guidance > Making corrections to e-filed submittals of information returns.

4 PERIOD OF VALIDITY

This specification sets out the requirements of file formatting that come into force 26 November 2019 and continue to be in force until a new version of this specification is released.

For deadline dates for filing, see tax.fi > Verohallinto > Ohjelmistokehittäjät > Aikataulut (Available in Finnish and Swedish).
