

Accept an Authorization given to a Katso ID

If your Katso ID has been granted or delegated an authorization, you can receive and approve it by signing in to Katso service at <https://yritys.tunnistus.fi>. If needed, you can enable the automatic receipt and approval of authorizations (see. page 3).

The screenshot shows the Katso service website interface. At the top left is the Katso logo and the URL yritys.tunnistus.fi. At the top right are language selection buttons for Suomi, Svenska, and English. A prominent blue button labeled "Sign in" with a right-pointing arrow and the text "(Manage details and authorizations)" is located in the upper right area. Below this is a navigation bar with four blue buttons: "Set up Katso ID", "Passwords and locked IDs", "Upgrade a Sub-ID", and "Transfer Master User privileges to self". Each button has a corresponding icon and a brief description of the action. Below the navigation bar are two main content areas: "Katso identifiers and the Katso service website" on the left and "Instructions" on the right. The "Instructions" section contains a list of links for various topics like "How to get a Katso ID", "Authorise somebody else in Katso", etc. Below these are two more buttons: "Activate a User ID initialized in Ytj.fi >" and "Tax offices with Katso registration facilities". At the bottom, there are three columns: "Electronic filing services" with a list of government agencies, "Some statistics" with bullet points about registration numbers, and "News releases" with dates and titles of recent news items. The footer contains the copyright notice "© Population Register Centre" and a link to the "Privacy statement".

Select **Sign in**.
