

## Change your fixed Katso ID password and notice the password requirements

Change your fixed Katso ID password when you sign in and the e-service suggests it or continue to the service <https://yrittys.tunnistus.fi> to change it there.

Password requirements from 30 May 2013:

- Password length is 8 to 1024 characters
- There must be:
  - Uppercase letters
  - Lowercase letters
  - Numbers

There may also be special characters (.,:;+ -=?!#&@~()[]{}|\_/'\*). Passwords are case-sensitive.

The service suggests change of password when you sign in after six months from the previous password change.

## Change password when you sign in at the e-service

<p style="text-align: center;"> <a href="#">Suomeksi</a>   <a href="#">På svenska</a>   <a href="#">In English</a> </p> <div style="background-color: #f0f0f0; padding: 5px; text-align: center; border: 1px solid #ccc;"> <p><b>Welcome</b></p> </div> <p style="padding: 5px;">You are trying to access an e-service that requires you to sign in.</p> <div style="background-color: #f0f0f0; padding: 5px; text-align: center; border: 1px solid #ccc; margin-top: 10px;"> <p><b>Help</b></p> </div> <p style="padding: 5px;">If you have an account, please enter your username and password to access the service. If you do not have an account you can visit the Katso website to open an account - go to:</p> <p style="padding: 5px;"><a href="https://yrittys.tunnistus.fi">https://yrittys.tunnistus.fi</a></p>	<p style="text-align: right;"><a href="#">Cancel</a></p> <div style="background-color: #f0f0f0; padding: 5px; text-align: center; border: 1px solid #ccc;"> <p><b>Sign In</b></p> </div> <p style="padding: 5px;">Please enter your username and password.</p> <p style="padding: 5px;">Username: <input style="width: 80%;" type="text" value="ew66oe"/></p> <p style="padding: 5px;">Password: <input style="width: 80%;" type="password" value="••••••"/></p> <p style="text-align: center; margin-top: 10px;"><input type="button" value="Sign In"/></p>
--	--

Sign in as usual with your Katso ID.

<p style="text-align: center;"> <a href="#">Suomeksi</a>   <a href="#">På svenska</a>   <a href="#">In English</a> </p> <div style="background-color: #f0f0f0; padding: 5px; text-align: center; border: 1px solid #ccc;"> <p><b>Help</b></p> </div> <p style="padding: 5px;">You have been authenticated and you may continue to the service. However your password will expire soon. You can change it now before proceeding to the service, or skip the change if you prefer to do it later. The new password must be entered twice to confirm that it is entered correctly. Password length is 8-1024 characters, and they must contain at least one character out of the following three categories a) Uppercase letters b) Lowercase letters c) Numbers d) Special characters.</p>	<p style="text-align: right;"><a href="#">Cancel</a></p> <div style="background-color: #f0f0f0; padding: 5px; text-align: center; border: 1px solid #ccc;"> <p><b>Password Notification</b></p> </div> <p style="padding: 5px;">Your password was correct, but it will expire soon. Either change it now or continue to the service.</p> <p style="padding: 5px;">New password: <input style="width: 80%;" type="password" value="••••••"/></p> <p style="padding: 5px;">Confirm: <input style="width: 80%;" type="password" value="••••••"/></p> <p style="text-align: center; margin-top: 10px;"> <input type="button" value="Cancel"/>   <input type="button" value="Change password"/> </p> <p style="text-align: center; color: blue; margin-top: 5px;"><a href="#">Skip Change and Continue</a></p>
--	---

The service gives a notification when your password is expiring. Enter the new password twice and select **Change password**. Alternatively, you can skip the change and continue to the service.

<p><a href="#">Suomeksi</a> <a href="#">På svenska</a> <a href="#">In English</a></p> <p><b>Help</b></p> <p>You have been authenticated, but your password has expired. You must change your password before you can proceed to the requested service. The new password must be entered twice to confirm that it is entered correctly. Password length is 8-1024 characters, and they must contain at least one character out of the following three categories a) Uppercase letters b) Lowercase letters c) Numbers d) Special characters.</p>	<p><a href="#">Cancel</a></p> <p><b>Password Change</b></p> <p>Your password was correct, but has expired. Please choose a new password.</p> <p>New password: <input type="password"/></p> <p>Confirm: <input type="password"/></p> <p><input type="button" value="Cancel"/> <input type="button" value="Change password"/></p>
---	---

If the service gives a notification that your password has expired, you cannot continue without changing it.

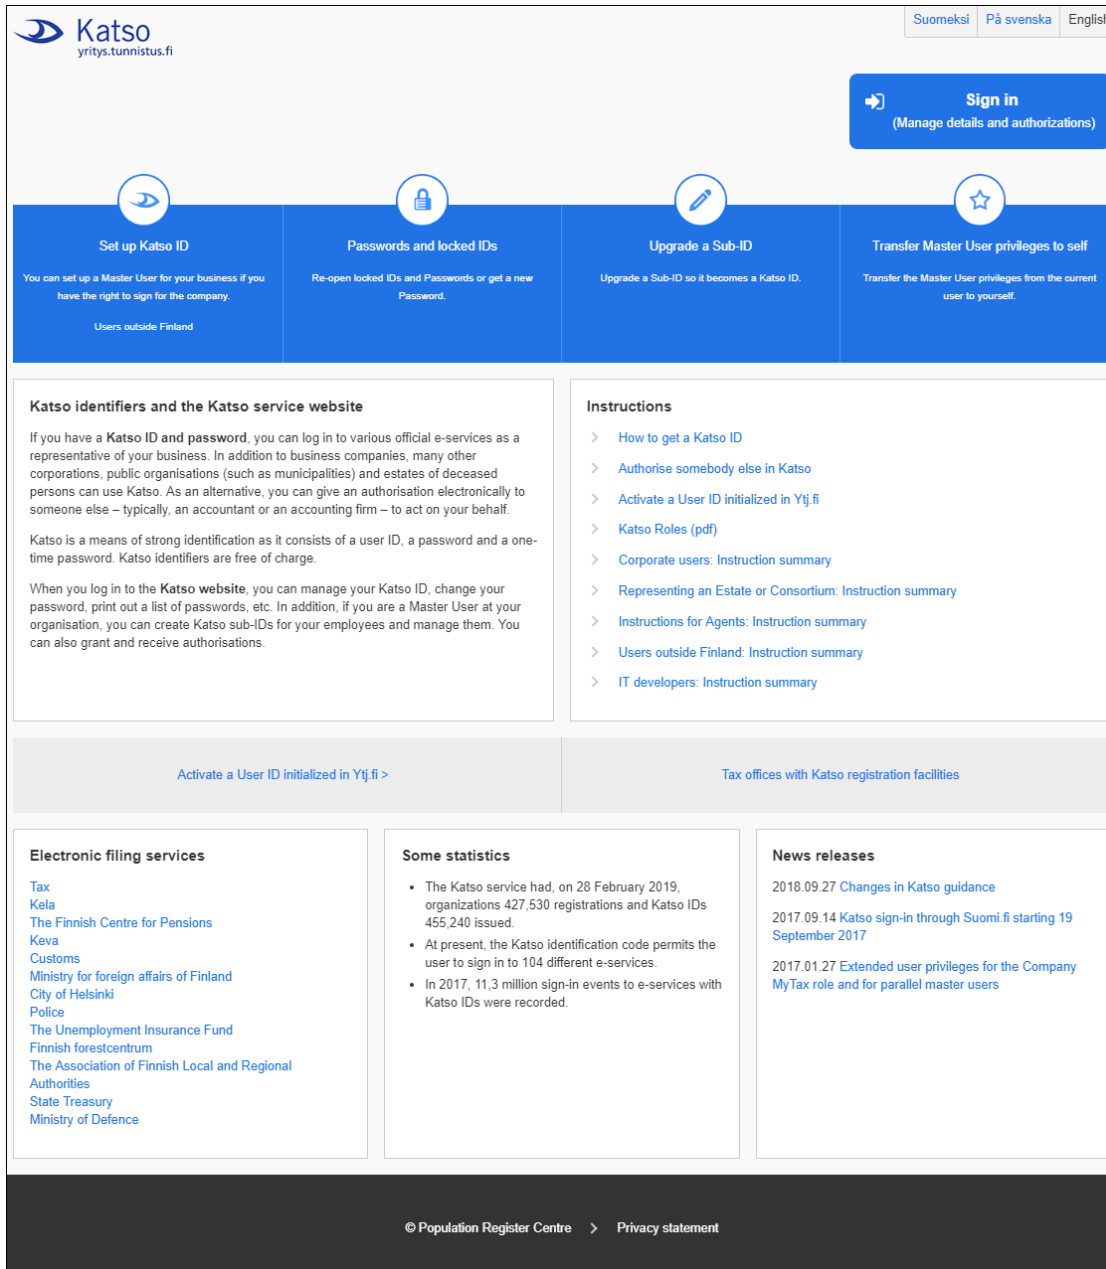

<p><a href="#">Suomeksi</a> <a href="#">På svenska</a> <a href="#">In English</a></p> <p><b>Help</b></p> <p>You should enter the next unused password from your password list. If you have a new list, you can activate it by entering the first password.</p> <p><a href="https://yritys.tunnistus.fi">https://yritys.tunnistus.fi</a></p>	<p><a href="#">Cancel</a></p> <p><b>Sign In</b></p> <p>Please enter the next unused one-time password.</p> <p>Password number: 2</p> <p>Username: <input type="text" value="ew66oe"/></p> <p>One-Time Password: <input type="password"/></p> <p><input type="button" value="Cancel"/> <input type="button" value="Sign In"/></p>
---	--

Enter the One-Time Password.

## Change your password at the Katso Identification Service

Change your fixed Katso ID password whenever you like at <https://yrittys.tunnistus.fi>. Select **Sign in**.

If you have forgotten your fixed Katso ID password, select the alternative **Passwords and locked IDs**. To authenticate you need network banking IDs or a chip card of the Population Register Centre.

The screenshot shows the Katso Identification Service website. At the top left is the Katso logo and the URL yrittys.tunnistus.fi. At the top right are language selection buttons for Suomi, Svenska, and English. A prominent blue button labeled 'Sign in' with a right-pointing arrow and the text '(Manage details and authorizations)' is located in the top right corner.

Below the header is a navigation bar with four main sections, each with an icon and a brief description:

- Set up Katso ID**: You can set up a Master User for your business if you have the right to sign for the company. Users outside Finland.
- Passwords and locked IDs**: Re-open locked IDs and Passwords or get a new Password.
- Upgrade a Sub-ID**: Upgrade a Sub-ID so it becomes a Katso ID.
- Transfer Master User privileges to self**: Transfer the Master User privileges from the current user to yourself.

The main content area is divided into two columns:

- Katso identifiers and the Katso service website**: Contains text explaining that Katso is a means of strong identification consisting of a user ID, a password, and a one-time password. It also states that Katso identifiers are free of charge and that users can manage their Katso ID, change passwords, and create sub-IDs for employees.
- Instructions**: A list of links for various user types and actions, including:
  - How to get a Katso ID
  - Authorise somebody else in Katso
  - Activate a User ID initialized in Ytj.fi
  - Katso Roles (pdf)
  - Corporate users: Instruction summary
  - Representing an Estate or Consortium: Instruction summary
  - Instructions for Agents: Instruction summary
  - Users outside Finland: Instruction summary
  - IT developers: Instruction summary

Below the main content are two buttons: 'Activate a User ID initialized in Ytj.fi >' and 'Tax offices with Katso registration facilities'.

The footer contains three columns of information:

- Electronic filing services**: A list of services including Tax, Kela, The Finnish Centre for Pensions, Keva, Customs, Ministry for foreign affairs of Finland, City of Helsinki, Police, The Unemployment Insurance Fund, Finnish forestcentrum, The Association of Finnish Local and Regional Authorities, State Treasury, and Ministry of Defence.
- Some statistics**:
  - The Katso service had, on 28 February 2019, organizations 427,530 registrations and Katso IDs 455,240 issued.
  - At present, the Katso identification code permits the user to sign in to 104 different e-services.
  - In 2017, 11,3 million sign-in events to e-services with Katso IDs were recorded.
- News releases**:
  - 2018.09.27 Changes in Katso guidance
  - 2017.09.14 Katso sign-in through Suomi.fi starting 19 September 2017
  - 2017.01.27 Extended user privileges for the Company MyTax role and for parallel master users

At the bottom of the page, there is a footer with the text: © Population Register Centre > Privacy statement
