

## REQUEST FOR INSPECTION OF PERSONAL DATA

GENERAL DATA PROTECTION  
REGULATION (EU) 2016/679, ARTICLE 15

### To the Incomes Register Unit

I request to receive a copy, invoking Article 15 of the GDPR, of my personal data saved in the Incomes Register (Incomes Information System).

Name		Personal ID
Address		
Telephone number		
Date	Signature and name in print	

Post your request to:

Incomes Register Unit

P.O. Box 1

00055 INCOMES REGISTER

If you need information only on payments made to you, you can order an Incomes Register extract. The Incomes Register extract contains the data on you that employers and other payers have reported to the Incomes Register.

In general, the turnaround time for requests for personal data is 30 days. However, if you submit many requests simultaneously or if the requests are complex and intricate, it is possible that the Incomes Register Unit will need more time to process them. In that case, the Incomes Register will inform you of this. After the Incomes Register has informed you of the need for more time, your request will be fulfilled within **3 months** of the date when you submitted it.

### Personal data processed in the Incomes Information System

The privacy statement of the Incomes Information System specifies the personal data processed in the system.

More information on processing of personal data:
